## Sound/Symbol

3.1	š	The s-wedge is like the <i>sh</i> in <u>shoe</u> .
-----	---	--

## Grammar Notes

3.2	ʔal refer to location in a general way. It is commonly translated: <i>in, on, at, or of</i> .
-----	---

## New Vocabulary

diʔucid	on the other side
šəg <sup>w</sup> ʔ	path, road, street, door
tə	the, a
stulək <sup>w</sup>	river
ʔal	located on, in, at, of

Some words start with a s followed by a period/dot (.) This indicates that the word has been nomenalized. Like in **s.tulək<sup>w</sup>**. In the dictionary it is indicated with a root sign √. You will find the word under the root **tulək<sup>w</sup>**.
